CONSENTED MOTION TO AMEND APPLICATION

PURSUANT TO T.B.M.P. § 514.02 AND 37 C.F.R. § 2.133(a)

Pursuant to T.B.M.P. §§ 514.02 and 605.03(b) and 37 C.F.R. § 2.133(a), One Source Industries, LLC ("Applicant") hereby requests that the identification of goods and services in Application Serial No. 77/309,088, which is the subject of the above Opposition proceeding, be amended as set forth below. This request is made with the express consent of O.C.R. Products, Inc. ("Opposer").

Amendment

Applicant hereby request that the identification of goods and services in the subject application be amended as follows:

**Packaging materials made from minerals, namely, limestone;
excluding packaging materials used in the flooring industry in
International Class 19.**

**Merchandise packaging for others; packaging products to the
order and specification of others; all services excluding services
directed to the flooring industry in International Class 35.**

Remarks

As this amendment clearly limits the identification of goods and services and is made with Opposer's consent, Applicant submits that the amendment is proper and should be accepted. Further, as indicated above, pursuant to 37 C.F.R. § 2.133(a), Opposer and Applicant have agreed to dismiss the opposition proceeding once the amendment is entered.

Respectfully submitted,
